W. M. for \$12,000

FOR A GRADE CROSSING INJURY

le Attempted to Cross in Front of Two Trains Going in Opposite Di-rections-His Allegations.

Goose Bootsma, who was injured at the Goodrich street crossing by a C. & W. M. train on the evening of August 22 last, has begue suit against the company in the circuit court for \$12,000 dumages. Bootsma alleges that he was driving a team on Goodrich street proceeding in an easterly direction. He saw one train coming and attempt ed to avoid it, but drove directly in front of one approaching from the opposite direction. He claims there was no flagman on duty at the crossing, that no bell or whistic was sounded, and that the train was running at a high rate of speed, at least much faster than the city ordinance allows. He nead damages to the amount of \$12,000 and is represented by Frank G. Holmes. The result of the accident was that Bootsma lest his right foot which was so crushed that immediate amputation was necessary. One of the horses was killed and the wagon was completely wrecked.

Headaches and loss of appetite are as easy to read as sign posts. Their invariable direction is that one is approaching nearer and nearer to break down and serious illness.

Following the modern medical knowledge that disease is due to poor nutrition of some organ. Paine's celery compound was first prescribed by Dartmouth's great professor, Dr. Phelps.

Results that have repeatedly astonished many for whom skilful physicians could do no more, confirm the wisdom of trusting all to nutrition—the complete and speedy nourishment of tissues, nerves, and nerve centres. Paine's celery compound supplies the material which the nervous system craves.

Pure blood and healthy nerve action is health.

Paine's celery compound is food for the nerves and nourishment for the blood.

Health, strength, and happiness have never had such an ally before as is of-fered by this great compound. It makes
